Winter 2018

Dear Parent(s)/Guardian(s):

Each K-2 school will have three full-day kindergarten classrooms in the 2018-2019 school year. If the demand exceeds the spaces available, students will be randomly selected for the full-day program through a lottery system. This drawing will take place at the end of March. If you are interested in putting your child's name into the lottery, **please complete this application form and submit it to your child's school before March 27**. Each school will hold their lottery on March 27<sup>th</sup> at 9:45 a.m. All are welcome to attend.

The tuition for the full-day program is \$4,200.00. After the lottery, if your child is selected a \$420 deposit is due within 10 days of being selected. The remaining balance of \$3,780 will be due in three installments (\$1,260 each) on August 10, November 10, and February 10.

If you want your child's name to be placed in the full-day kindergarten lottery, please complete and submit the following information **prior to March 27**. If your child's name is chosen, you will be contacted shortly after the lottery and your confirmation and down payment of \$420 will be due within 10 days. If we do not receive your confirmation and initial payment, the space will be made available to the next child on the waitlist. Please note that full-day kindergarten is an educational program and is *not* considered a "childcare expense" for the purposes of dependent care accounts or income tax deductions.
