**Math and Science Night:** The kindergarten Math and Science Night had a great turnout with lots of smiles. First and Second Graders are invited to join us for an interactive evening of math games and science experiments in the Nabnasset Cafeteria. They will explore various curriculum related concepts in a fun, hands-on manner! This event is for parents and their grade level students, please do your best to leave siblings at home. We look forward to exploring math and science with you!
