

Scholastic Directions for Homeschool

The Caregiver of a homeschooled student would begin by calling 800-631-1586 to set up an account to indicate the student is homeschooled.

The Caregiver can set up a [scholastic.com](https://www.scholastic.com) account too (by clicking the person icon in the upper right hand corner at [scholastic.com](https://www.scholastic.com) and then 'register').

For books, Caregiver order under the teacher store for discounted prices:
<https://shop.scholastic.com/teachers-ecommerce/teacher/tsohomepage.html> and then sort by grade level.

For magazines, Caregiver go to <https://classroommagazines.scholastic.com/> and sort by grade level. They pay with a credit card at the time of their order.
