STEP 1

REGISTER/PAY ON TOTAL REGISTRATION:

All AP Exam registrations and payments will be completed online via Total Registration. To access the site, go to: www.TotalRegistration.net/AP/222335

If you registered for an exam last year, you will not need to create a new account. Simply log in with last year's information.

STEP 2

REGISTER ON MYAP AT COLLEGE BOARD:

After registering for the exam on TR, students will receive a confirmation that includes a code for each exam for which they have registered. **THESE CODES ARE SPECIFIC TO YOUR TEACHER AND THE PARTICULAR BLOCK YOU ARE IN.** Students will need to use this code to sign up for the College Board's AP online classrooms for each class they are taking. Please see the attached instruction sheet for more information.

COST:

The 2020 exam fees are \$100 per exam. No exams will be ordered without payment - students can pay online using a credit/debit card or can mail a check to Total Registration. Payments are non-refundable after November 14, 2019. Students who qualify for Free/Reduced Lunch may receive a fee reduction for the exam - please check the appropriate box during registration.

Any student who drops the AP course (or requests not to take the AP Exam for any reason) must notify the AP Coordinators in writing prior to November 15th, or will be subject to a \$40 fee imposed by College Board.

You're enrolled in your AP course.

College Board Account Tips

You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don't already have an account, please sign up at collegeboard.org/register. Your parents shouldn't create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?

All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, you're all set. You'll just need your username and password to sign in.

IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT

- If you can't remember your username or password, follow the "Forgot username or password?" links at myap.collegeboard.org to reset them.
- If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.
- If you can't remember the answers to your security questions, see if a family member has them.

If you followed all the steps to get your username or password and still can't access your account, you'll be able to create an AP 2019-20 interim account.
