

PUBLICATIONS/MEDIA

P1110

Publications issued by and in the name of a school of the Westford Public Schools shall reflect high regard and aspirations for the schools. There must be no compromise in the high quality of editorial content and effective format. The exercise of appropriate economy in materials and production is expected so long as the main purpose is not jeopardized.

Regular and special radio and TV programs shall be consistent with the goals of the schools and the instructional guides approved by the School Committee. It is important that such programs also reflect high regard and aspirations for the schools.
