

USE OF FACILITIES

P1201

The school facilities are available to reputable and responsible organizations, subject to the control of the School Committee and to such conditions and regulations as it may establish.

Any business or organization possessing a certificate of insurance shall provide a copy of the certificate along with the facility use contract.

No such use of school facilities, however, shall at any time be allowed to interfere with or limit the regular work or extra-curricular activities of the school program, or of classes or activities of the school program, or of classes or activities conducted under the direction of the Westford Public Schools.

School equipment will not be available to outside organizations except under very special circumstances and with the permission of the Principal.

Any equipment brought into the schools by outside or related organizations that cannot be kept in an assigned space, under lock and key, should not be considered school property, and as such, the school assumes no responsibility to the individual or group furnishing the equipment.
