

PHILOSOPHY AND CODE OF CONDUCT

P1801

The School Committee supports the efforts to make Westford a peaceable community that is built on respect, pride, and responsibility for ourselves, for each other and for the environment.

All schools will work to promote a peaceable atmosphere in all school activities. All staff, students, and parents will work together to support activities that create respect and harmony within and throughout the school.

Each school, through its School Council, will create a Code of Conduct for all students to live by. Parents/legal guardians will be asked to read and sign a statement supporting their child in following the Code of Conduct.
