

## **SMOKE-FREE ENVIRONMENT**

**P3606**

State law has created a Smoke-Free Environment for all schools. The Westford Public Schools “prohibit the use of any tobacco products within the school buildings, the school facilities or on the school grounds or on school buses by any individual.” This applies to all staff, students, volunteers, and visitors. Penalties for violations are defined in the Tobacco Regulations as established by the Westford Board of Health.
