

**SCHOOL COMMITTEE RESPONSIBILITIES
FOR BUS TRANSPORTATION**

P3701

The purpose of regular day school transportation is to safely transport students who live beyond walking distance from home to school and back in an efficient, safe and economical manner.

The School Committee shall provide regular day school transportation to and from school for all pupils in grades K-6 residing more than two (2) miles from school. Measurable distance is from the pupil's residence as measured from the end of the resident driveway to the main entrance driveway of each school of attendance over a public way.

The School Committee reserves the right to establish the ridership consistent with this policy in order to protect pupils from hazards of traffic and to promote their safety to and from school.
