From the Counseling Department:

Small Group Meetings on Post-Secondary Planning

To complement our evening presentation that was held on January 30th, counselors are offering small group meetings with students and parents/caregivers throughout the winter and spring.

What will be covered during this meeting? Click [HERE](#) for the agenda. Students will also receive their transcripts for their own personal review.

Please note:

- Each session is an hour in length.
- Some sessions will only be offered virtually for parents/caregivers– these are noted in the sign-up. For all sessions, students will be in-person.
- You must choose from the dates made available by your student’s counselor.
- Please coordinate a time with your child prior to registering. You will only need to register for 1 slot (for both the student and parent/caregiver).
- Students: follow these [directions](#) if you need to add the WA block calendar to your google calendar. This will help when determining what meeting time works best for you. Students are responsible for any missed work during your small group meeting time.
- When registering, please add your child’s name in the “comment” section.
- The video library is available for those families who are unable to attend or prefer that. [HERE](#) is the link to access it.
- [HERE](#) is where you can access the slidedeck to the January 30th presentation on “Life After WA.”
- These small group meetings are optional.
- There could be up to 5 students (and their parents/caregivers) in total in each of these meetings.
- If you have any questions about these small group meetings, please email your child’s counselor directly.
