

# Destination Imagination

Register by Sept. 24, 2023 at [www.Westford.org/DI](http://www.Westford.org/DI)

Science! Drama! **Duct Tape!**

Write stories! Paint stuff! Rewire a microwave into a time machine!

Do you have a **Destination Imagination** child?

Parents, give your kid(s) a great opportunity to solve a [DI Challenge](#) in a fun team – adults can teach skills, but the final performance must be **100% kid-powered!**

## WHO?

**Small teams of students:** Kids work together for several months on one of [these varied challenges](#). Every team presents their unique work at the in-person tournament in March.

**Team managers:** Parents/other adults volunteer to guide each team in weekly meetings.

## WHAT?

**Instant Challenges:** A new surprise assignment in every team meeting, to solve quickly!

**Central Challenges:** A long-term project where members use their skills in drama, writing, technology, engineering, art, and/or music to create a unique solution. The team's final performance at the tournament is scored on innovation, risk-taking, and teamwork as they meet the challenge's open-ended criteria in their own creative way.

## WHEN?

**Register NOW** at [www.Westford.org/DI](http://www.Westford.org/DI) by September 24, 2023.

Come to **Parents DI Info Night**, Weds Sept. 27 at 7-8 pm at the [Library at 50 Main St.](#)

**October 2023:** New teams are forming, must have an adult volunteer as team manager.

**Through March 2024:** Teams meet 1-2 hours per week at a convenient time and place.

**March 2024, TBD:** Tournament where all teams perform and all friends/families cheer!

## WHY?

**Tons of fun:** Make great friends while building, collaborating, and acting silly :-)

**Fame and glory:** The team might win and go to Statewide competition [or even Globals!](#)

**Learn skills:** Hands-on cooperation, time management, creativity, self-confidence.

## HOW?

Registration does not guarantee placement on a team; instead, teams must have a volunteer manager to get started. Teams are formed by grade, from kindergarten onwards. Cost is approx. \$100 per child, when meetings begin.

Register your child at [www.Westford.org/DI](http://www.Westford.org/DI) by September 24<sup>th</sup>, 2023.

**IMPORTANT:** on that form, please say if **you can become a team manager** or helper!

**Go to the Register form** <http://www.westford.org/di> by Sept. 24, 2023
