**From the Counseling Department:**

**Small Group Meetings on Post-Secondary Planning**

To complement our evening presentation on January 30, counselors will be offering small group meetings with students and parents/caregivers throughout the winter and spring. These 1-hour sessions, facilitated by your child's counselor, will provide a more intimate setting to address individual concerns and questions. Please note that some sessions will only be offered virtually for parents/caregivers– these are noted in the sign-up. For all sessions, students will be in-person. You must choose from the dates made available by your student's counselor! Counselor assignments are at the bottom of this document.

Registration links (through Sign-Up Genius) for the small group sessions will be made available on February 2nd through Principal Twomey's Friday email. In order to better coordinate a time with your child, we wanted to give you the dates/times prior to the release on February 2nd. Please coordinate a time with your child prior to registering. There will be 5 spots available during each time block (1 student and 1 or 2 parents/caregivers would equal 1 spot). Please note that there will also be a video library available for those families who are unable to attend or prefer that.

Students: follow these [directions](#) if you need to add the WA block calendar to your google calendar. This will help when determining what meeting time works best for you. Students are responsible for any missed work during your small group meeting time.
